

2022 Fetal Center Conference **April 8, 2022**

Presented Virtually from the Nationwide Children's Hospital Conference Center

- 7:45 - 8:00 a.m. **Conference Check-in and Opportunity to Visit Exhibitors**
- 8:00 – 8:15 a.m. **Welcome and Opening Remarks**
Oluoyinka O. Oluoye, MD, PhD, Nationwide Children's Hospital
- 8:15 – 9:00 a.m. **Cutting Edge Perinatal Genetic Diagnosis**
Britton Rink, MD, Mt. Carmel Health System
Bimal Chaudhari, MD, Nationwide Children's Hospital
- 9:00 – 9:15 a.m. **Questions**
- 9:15 – 10:00 a.m. **Joint Decision Making for Complex/Life Limiting Diagnosis**
Matt Mingione, MD, OhioHealth
Amy Schlegel, MD, Nationwide Children's Hospital
- 10:00 – 10:15 a.m. **Q & A**
- 10:15 – 10:30 a.m. **Break, Opportunity to Visit Exhibitors**
- 10:30 – 12: 45 p.m. **Case Study #1: Transposition of Great Arteries**
- 10:30 – 10:50 a.m. **Prenatal Screening/Imaging**
Patrick Schneider, MD, The Ohio State University Wexner Medical Center
- 10:50 – 11:05 a.m. **Fetal Echocardiography**
Kathryn Nardell, MD, Nationwide Children's Hospital
- 11:05 – 11:20 a.m. **Delivery and Neonatal Management**
Molly Ball, MD, Nationwide Children's Hospital
- 11:20 – 11:35 a.m. **Cath Interventions**
Brian Boe, MD, Nationwide Children's Hospital
- 11:35 – 11:55 a.m. **Surgical Interventions**
Sergio Carrillo, MD, Nationwide Children's Hospital

11:55 – 12:25 p.m. **Neurodevelopment Outcomes**
Mary Donofrio, MD, Children’s National Hospital

12: 25– 12: 45 p.m. **Q & A**

12:45 – 1:15 p.m. **Lunch, Opportunity to Visit Exhibitors**

1:15 – 5:15 p.m. **Case Study #2: Myelomeningocele**

1:15– 1:45 p.m. **Myelomeningocele: The Embryology, a Clinician’s Perspective**
Eric Sribnick, MD, Nationwide Children’s Hospital

1:45 – 2:15 p.m. **Open Spina Bifida: Imaging (Ultrasound and MRI)**
Amy Mehollin-Ray, MD, Texas Children’s Hospital

2:15 – 2:45 p.m. **Fetal Interventions: Eligibility, What the Clinician and Patients Need to Know**
Oluseyi Ogunleye, MD, Nationwide Children’s Hospital

2:45– 3:00 p.m. **Break, Opportunity to Visit Exhibitors**

3:00 – 3:30 p.m. **Fetal Intervention: Perioperative Care**
Rodrigo Ruano, MD, McGovern Medical School University of Texas Health Center

3:30 – 4:30 p.m. **Fetal Myelomeningocele: The Open and Fetoscopic Repairs**
William E. Whitehead, MD, Texas Children’s Hospital

4:30 – 5:00 p.m. **Post Repair: Long Term Prognosis**
Jeffrey Leonard, MD, Nationwide Children’s Hospital

5:00 – 5:15 p.m. **Q & A**

5:15 – 5:30 p.m. **Wrap-up and Adjourn**

CE POSTING

Activity Name:

- The Fetal Center at Nationwide Children's Hospital Annual Conference

Date & Time:

- April 8, 2022 - 8:00 AM

Speakers Information:

Molly Ball, MD
Brian Boe, MD
Sergio Carrillo, MD
Bimal Chaudhari, MD MPH
Mary Donofrio, MD, FAAP
Jeffrey Leonard, MD
Amy Mehollin-Ray, MD
Matt Mingione, MD
Kathryn Nardell, MD
Oluseyi Ogunleye, MD
Oluyinka Olutoye, MD
Britton Rink, MD
Rodrigo Ruano, MD
Amy Schlegel, MD
Patrick Schneider, MD
Eric Sribnick, MD
William E. Whitehead, MD

Planners Information:

Valentina Caceres, Genetic Counselor I & II (Other Planning Committee Member)
Sophia Calcara (Other Planning Committee Member)
Courtney Cooke, MA (Activity Coordinator)
Leslie Coonfare, DNP (Course Director)
Rebecca Corbitt, RN (Nurse Planner)
JoAnn Davis, APRN (Nurse Planner)
Karen Diefenbach, MD (Other Planning Committee Member)
Amanda Graf, MD (Other Planning Committee Member)
Melissa Miller, RN (Nurse Planner)
Apurwa Naik, MD (Other Planning Committee Member)
Sharon Orozco, RN, MSN (Other Planning Committee Member)
Amy Randall-McSorley, EdD (Activity Administrator)
Cindy Reynolds, BSN (Nurse Planner)
Noah Rogers (Other Planning Committee Member)
Ruth Seabrook, MD (Co-Director)
Christina Stocker, MBA (Activity Administrator)
Megan Stover, MD (Other Planning Committee Member)
Courtney Ware, MD (Other Planning Committee Member)
Kerry Wears, LSW (Other Planning Committee Member)

CE POSTING

Activity Objectives:

- 1 Describe appropriate utilization of advanced prenatal and postnatal genetic testing options
- 2 Improve prenatal diagnosis of fetal anomalies
- 3 Understand current indications for fetal therapies
- 4 Describe impact of perinatal therapy on long term outcomes for infants with fetal anomalies

ANCC Learning Outcomes:

- 1 The learner will summarize how best outcomes can be achieved through comprehensive care provided by a multidisciplinary team of healthcare professionals.
- 2 The learner will examine how prenatal genetic and radiologic assessments can better inform coordinated prenatal decision making

In support of improving patient care, Nationwide Children's Hospital is jointly accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for the healthcare team. (8.0 ANCC contact hours; 8.0 CME hours)

Nationwide Children's Hospital has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 8.0 AAPA Category 1 CME credits. Approval is valid for 2 years from the date of the activity. PAs should only claim credit commensurate with the extent of their participation.

CE POSTING

Disclosure of Relevant Financial Relationships and Unapproved Uses of Products

It is policy at Nationwide Children's Hospital Office of Continuing Medical and Interprofessional Education for individuals who are in a position to control the content of an educational activity to disclose to the learners all relevant financial relationships that they have with any commercial interest that provide products or services that may be relevant to the content of this continuing education activity. For this purpose, we consider relationships of the person involved to include financial relationships of a spouse or partner.

The intent of this policy is to ensure that Nationwide Children's Hospital CME/CE certified activities promote quality and safety, are effective in improving medical practice, are based on valid content, and are independent of control from commercial interests and free of commercial bias. Peer review of all content was conducted for all faculty presentations whose disclosure information was found to contain relationships that created a conflict of interest relevant to the topic of their presentation. In addition, all faculty were instructed to provide balanced, scientifically rigorous and evidence-based presentations.
