14th Annual Pediatric Asthma Conference

Friday, May 3, 2024

Intended Audience

This continuing medical education program is designed to meet the educational needs of pediatricians, family practitioners, nurses, respiratory therapists, social workers, pharmacists and clinical staff from hospital, urgent care, primary care, and school facilities with students/patients who have asthma and allergies.

Learning Objectives

At the conclusion of this activity, participants should be able to:

1. Explore the asthma trajectory from childhood and beyond
2. Explore the unique relationship between exercise and asthma
3. Discuss how to evaluate a chronic cough in the pediatric population
4. Review and practice patient education tools and training devices for pediatric asthma patients
5. Explore environmental counseling to treat acute asthma exacerbations
6. Review new pediatric asthma literature topics over the past year

Conference Location

Nationwide Children's Hospital Conference Center
520 Butterfly Gardens Drive
Columbus, OH 43215
