## CCPR Live Webinar

Pediatric and Adolescent Gynecology:  
Caring for Patients in a Collaborative Center

January 26, 2022

### Pediatric and Adolescent Gynecology: Caring for Patients in a Collaborative Center

January 26 | 7-8:30 p.m. EST

#### This program will:

- Review female anatomy.
- Discuss common variations in normal gynecological anatomy in patients with Anorectal Malformation (ARM).
- Describe gynecologic evaluations for patients with ARM.
- Discuss common gynecologic imaging evaluations for patients with ARM.
- Review gynecologic and reproductive care across the lifespan.

#### Program Fee

This program is free.

#### Webinar Format

The live, interactive format will allow participants to watch and listen to a presentation, followed by a live question and answer period in the comfort of your own home or office. The webinar will be posted for on-demand viewing once the live event has concluded. The webinar link will be sent to you after program registration.

#### Confirmation

A confirmation email along with the webinar link will be sent to all participants.

### Speakers *(in alphabetical order)*

#### Geri Hewitt, MD
