

Craniofacial Family Retreat

June 22, 2024

**NATIONWIDE
CHILDREN'S®**

When your child needs a hospital, everything matters.

Program Description:

This program is intended to educate parents, caregivers and patients affected by craniofacial differences. An opportunity to participate in live “chat rooms” with national experts will allow for roundtable discussion. Separate session for teens and school age children will be held. Light refreshments and lunch will be provided.

Program Date:

June 22, 2024 | 8 a.m. to 4 p.m.

Location:

Nationwide Children’s Hospital Education Center
700 Children’s Drive | Columbus, OH 43205

Who Should Attend?

Parents, guardians, family members, caregivers of children with craniofacial differences, children with craniofacial differences and their siblings. Children must be accompanied by their parent or guardian.

Cost:

\$35 each adult

\$75 health care professionals

Teens and children are free

Confirmation:

A confirmation email with directions will be sent to all participants.

Registration:

Registration deadline: June 13, 2024

About Columbus

Columbus is Ohio's capital and the nation's 14th largest city, with a dynamic business climate, a commitment to diversity, exciting annual festivals and cultural events, unique arts and entertainment opportunities and great professional, amateur and college sports. Columbus is located at the intersection of Interstate 70 and 71, within a one-day drive or a one hour's flight of 60 percent of the population of the United States and Canada. Featured attractions for families include: Columbus Zoo and Aquarium, voted the favorite zoo of America by USA Travel guide. The zoo also operates an adjacent water park, Zoombezi Bay. Visit www.columbuszoo.org for more information. COSI, featuring more than 300 interactive exhibits, has been ranked the No. 1 science museum for families by *Parents Magazine*. Visit www.COSI.org for information.

Family Dinner

Friday, June 21

If you're in town Friday evening, please plan to join other families for dinner at The Spaghetti Warehouse. Stop by anytime between 5:30-8 p.m. Register for this with online conference registration or when you mail in your registration form.

Keynote Speaker

Eric Riklin, PhD

Dr. Riklin was born with Crouzon syndrome, a very rare craniofacial diagnosis that manifests as a facial difference and has required 25 surgeries. His experiences to date have crystallized his interest in working as a clinical psychologist with pediatric patients, and their families as they navigate various medical and mental health needs. Dr. Riklin is completing his postdoctoral fellowship at Children's Hospital of Los Angeles.
