

Join us for the 39<sup>th</sup> Annual Dwight A. Powell Pediatric Infectious Diseases Conference in conjunction with the 37<sup>th</sup> Annual Pediatric Infectious Diseases Nursing Conference! This conference will present material dealing with a variety of infectious diseases affecting neonates, infants, and children that are frequently encountered by the primary care medical professional dealing with pediatric patients. Our goal is to assist the attendees in utilizing the most up to date diagnostic techniques and therapeutic options to improve their management of these conditions.
