The 2022 Neuroscience and Headache Symposium will provide pediatric and family primary care providers with an opportunity to learn the most up-to-date best practices in neuroscience care and network with peers across the region. This year's symposium features additional afternoon breakout talks focused on headache topics and management. The symposium will be both live and virtual. After the symposium is complete, attendees can view all recorded content.

## **Intended Audience**

This conference is designed for pediatric and family primary care providers and is also applicable to advanced practice nurses, physician assistants, and other health care professionals who care for children, adolescents, and young adults with neurological problems.

## **Continuing Education Credit**

In support of improving patient care, Nationwide Children's Hospital is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for the healthcare team. AMA PRA Category 1 Credits™ (7), ANCC Contact Hour(s) (7), AAPA Credit(s) (7).

ASET - The Neurodiagnostic Society has granted ASET Continuing Education Units [7 ASET-CEUs] for this program. Such crediting, however, should not be construed by program participants as an endorsement of any type of instruments or supplies mentioned or involved in these presentations.
