When your child needs a hospital, everything matters.

Rare Disease Day

at Nationwide Children's Hospital

More than 300 million people in the world are affected by a rare disease.

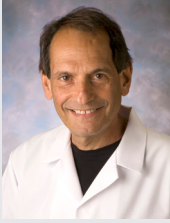

Rare is everywhere.

As a Rare Disease Center of Excellence, Nationwide Children's is a trusted medical home where patients with rare diseases and their families come to find answers.

Join us for the 5th Annual Rare Disease Day at Nationwide Children's to raise awareness of rare diseases and support our patients and families affected by them.
