2023 CapABLE Employee Resource Group Transition Conference

Healthy Futures: Building a Foundation for Lifelong Wellness

September 15, 2023

Presented in person from Nationwide Children's Hospital Conference Center

Keynote Speaker

Susan Havercamp, PhD

Associate Professor, Psychiatry, The Ohio State University College of Medicine, Nisonger Center

This conference will focus on the importance and impact of physical health and well-being in the disabled population. Educational content will be offered for providers who support individuals with disabilities as they transition from adolescence to adulthood. Additionally, the keynote speaker, Susan Havercamp, PhD, will speak on healthcare disparities and health equity.

Presentation topics cover:

- Physical activity and fitness
 - Nutrition
 - Food education
- and more
